Vimal Jyothi Engineering College (VJEC) is an educational project of the Archdiocese of Thallassery established in the year 2002 and is managed by Meshar Diocesan Educational Trust. The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University. VJEC is a self-financing catholic minority institution aiming at generating fervor for Engineering and Technology in students. Here we inspire, nurture and foster them to realize their career potential in the field of Engineering and Technology.

There are 221 B.Tech students and 13 M.Tech students in the department of Computer Science & Engineering branch. ACM student chapter under the department has 10(13 original members) active members. All the members are doing either B.Tech or M.Tech in CSE itself.
